

FOR IMMEDIATE RELEASE
(December 2024)

Make Some Reindeer Magic!

Stop by the Shelby County Historical Society (SCHS) Museum on **Saturday, 7th** between **9:30 - 11:30 am** before, during or after the **Shelby County Christmas Parade**, hosted by the Shelby County Fire Department, for a special **Open House** and craft station. The parade starts at 10 am., but the Museum will be open at 9:30 with a **Magic Reindeer Food Station** (while supplies last). Weather permitting, we will have the station set up on our lawn – in case of inclement weather, the station will be held inside our Museum, located at **627 Main Street**.

While there, enjoy some **warm spiced cider** while you watch the parade go by. Take advantage of our **Open House from 10 am - 2 pm** to visit our Museum and see what artifacts we currently have on display before we change out the exhibits for 2025. We also have a special **Nutcracker Display**, just for the holidays!

If you're looking for a last-minute stocking stuffer, we have several publications for sale, including our last one, ***The Shelby Historian***, for only \$10!! A membership with the Shelby County Historical Society also makes a thoughtful gift.

We still have spots available for our **Wreath Making Workshop** on Saturday, December 21 from 1 – 3 pm at the Shelby County Extension Office. \$25 for members of the Shelby County Historical Society/\$30 for non-members.

The Shelby County Historical Society is a 501©3 organization with a mission to *“preserve and promote the knowledge and appreciation of Shelby County and Kentucky history.”*
